FROM GARBAGE DUMP TO GREEN ENTRANCE: Clean & Neat 1st Gate Developed

FROM GARBAGE DUMP TO GREEN ENTRANCE: Clean & Neat 1st Gate Developed

BEFORE:

- Just inside the 1st Gate, front side area was full of garbage
- Everyone was throwing waste there, entrance looked very dirty and ugly.
- Syntax water was continuously leaking and flowing wastefully.

AFTER - DEVELOPMENT BY SECURITY TEAM:

- Entire area cleaned thoroughly with help of Housekeeping team.
- Kabali plants (ornamental plants) planted for beautification.
- Now entrance looks neat, clean and beautiful.
- Leaking Syntax water is now effectively utilized for plants - No wastage.
- Area systematically organized for Car Parking and Two-Wheeler Parking.

RESULT:

A Dirty Garbage Point is Now a Clean, Green & Organized Entrance.
